PROFESSIONAL EXPERIENCE

- | | |
|--------------------|---|
| July 2006-current | Psychotherapist / Private Practitioner

Conducted brief and long term individual psychotherapy with adults and adolescents. Developed and facilitated therapy groups. Conducted intellectual and psychological assessments and generated professional reports. Consulted with and facilitated training workshops for professionals. |
| July 2008-Feb 2010 | Staff Psychologist
Harold Jordan Habilitation Center (HJC)

Conducted individual and group psychotherapy with mildly mentally retarded men who were court ordered to a secure forensic facility following their being charged with violent crimes and found not competent to stand trial. Conducted competency training and evaluations for the courts. Intervened psychologically and physically in major crises. Became certified as an instructor of Professional Crisis Management (PCM). Developed and implemented behavior plans. Worked closely with direct-care staff to increase effectiveness of interventions. Taught anger management, emotion regulation, and other skills-based classes within a treatment mall setting. Conducted admission, annual, and discharge psychological evaluations for each resident. Participated actively on a large interdisciplinary treatment team. Offered clinical supervision and mentoring to students of psychology and social work. Developed system for more formal evaluation of trainees. |

Sept. 2006-May 2007 **Staff Psychologist**
Vanderbilt University Psychological and Counseling Center

Conducted brief and long term psychotherapy with university students, faculty, staff, and their dependents. Modes of therapy included individual, couples, and group, with individuals ranging in age from 15 to 50. Conducted intake assessments with individuals and couples, as well as crisis intervention as needed. Conducted psychological evaluations, career assessments, and career counseling. Served on committees responsible for addressing case assignment, treatment of eating disorders, and suicide prevention on campus. As part of a federal grant for suicide prevention on college campuses, designed and implemented training opportunities for university faculty, staff, and students. Coordinated intake time slot and supervisor assignments. Presented didactic seminars to practicum students and supervised practicum students on clinical work, intakes, and report writing. Organized and conducted various outreach activities with campus organizations and provided consultation as needed.

Aug. 2005-Sept 2006 **Post-Doctoral Residency**
Vanderbilt University Psychological and Counseling Center

Conducted brief and long term psychotherapy with university students, faculty, staff, and their dependents. Modes of therapy included individual, couples, and group, with individuals ranging in age from 15 to 50. Conducted weekly intake assessments with individuals and couples, as well as crisis intervention as needed. Conducted diagnostic psychological evaluations and assessments to determine presence of ADHD and/or learning disabilities. Conducted career assessments and career counseling. Evaluated fitness for duty in police candidates for the university police department. Served on committees responsible for addressing case assignment, treatment of eating disorders, and suicide prevention on campus. Presented didactic seminars to practicum students and supervised practicum students on clinical work, intakes, and report writing. Organized and conducted various outreach activities with campus organizations and provided consultation as needed.

July 2004-June 2005 **APA Accredited Pre-doctoral Internship**
Generalist model of clinical training

Broughton Hospital (3 days per week) Morganton, NC

Inpatient experience

4 month rotation on each of 3 hospital divisions:

- Specialty Services Division (Div. S): acute and long-term geropsychiatric and adolescent populations
- Psychiatric Rehabilitation Division (Div. P): long-term stabilization for adults with SPMI
- Adult Admissions Division (Div. A): acute stabilization for adults with a range of psychiatric diagnoses

Conducted long- and short-term individual psychotherapy, brief family therapy, and crisis intervention. Facilitated and co-facilitated both process and psychoeducational therapy groups. Completed psychological assessments utilizing intellectual, cognitive, objective, and projective tests to provide diagnostic formulations and treatment recommendations. Wrote behavior plans. Actively participated in multidisciplinary treatment teams. Attended weekly educational seminars related to treatment, assessment, and

professional development (2.5 hours per week). Formally presented both treatment and assessment cases to other interns and psychologists. Actively participated in weekly case conferences (1 hour per week for 4 months).

Daymark Recovery Services (2 days per week) Kannapolis, NC
Outpatient experience

Conducted long- and short-term individual psychotherapy with children, adolescents, adults, and older adults. Conducted family therapy and parent training and utilized co-therapy with another clinician to provide couples therapy. Co-facilitated two groups with adults throughout the entire year: Men's Anger Management Group (12 week curriculum) and long-term Dialectical Behavior Therapy (DBT) Skills Training Group. Attended weekly educational seminars (1 hour per week) and presented to interns and staff on grief therapy. Provided psychological assessment for diagnostic clarification and assessment of malingering. Conducted diagnostic interviews and collaborated with clients to create workable treatment plans. Referred clients for psychiatric evaluations. Regularly interacted with other agencies (Department of Social Services, Department of Social Security, local schools) as appropriate for individual cases. Provided weekly clinical supervision to a Masters-level psychology intern.

Aug. 2002-April 2004 **Student Counseling Services of Nova Southeastern University**
Practicum Supervisor: Barry Schneider, Ph.D.

Conducted brief and long-term psychotherapy with graduate students from culturally diverse backgrounds. Modes of treatment included individual, couples, family, and group therapy. Performed intake evaluations and psychological assessments. Additionally responsible for integrated report writing, crisis intervention, and campus outreach. Formal practicum requirements were met in August 2003. Continued provision of care to 3 clients for 8 months after formal requirements met.

Aug. 2001-Aug. 2002 **Miami/Dade County Department of Human Services, Specialized Development Center-South (SDC-S)**

Practicum Supervisors: Nathan Azrin, Ph.D.
Hortensia Nunez, Ph.D.
Mitchell Gordon, Ph.D.

Conducted individual and group psychotherapy with dually diagnosed (Mental Retardation and Severe Emotional Disturbance) children and adolescents in a day treatment/school setting. Population was culturally diverse and ranged in age from 6 to 21 years. Also responsible for completing Medicaid requirements, treatment planning, crisis intervention, classroom intervention, parent consultation, school staffings, psychological assessments, and integrated report writing.

OTHER CLINICAL EXPERIENCE and RELATED WORK EXPERIENCE

Aug. 2003-May 2004 **Memorial Healthcare System, Broward County, FL**
Community Youth Counselor

Conducted school-based individual and group counseling, as well as home visits, family counseling, biweekly parent education meetings, crisis

intervention, referrals to community resources, treatment planning, school consultation, drug prevention field trips and case management with a culturally diverse group of adolescents aged 14 to 17 years in a large public high school. Also participated in regular staff meetings and clinical training seminars.

June 2002-Dec. 2003 **Children's Services Council of Broward County (CSC)
Program Monitor/Contracted consultant**

Conducted evaluations of summer camp and after school programs. Visited designated sites and observed the activities of the programs and the interactions between children and staff. Conducted interviews with the directors and staff of the programs, the children being served, and their parents. Evaluated the program and submitted a formal report. Assessed program performance on dimensions including behavior management, social skills training curriculum, and interpersonal contact between staff and children.

Oct. 2001-Jan. 2003 **The Behavioral Health Place at Weston, Broward County, Florida
Office Administrator**

Responsible for patient relations (scheduling, collecting payments, assessing of emergency situations), insurance verification, insurance billing, administration of computer-based objective personality tests, training of new employees, and some accounting.

Sept. 1998-Jan. 1999 **Exchange Club Family Center for the Prevention of Child Abuse,
Murfreesboro, TN
Volunteer Parent-aide**

Assisted a 17-year-old mother with Mild Mental Retardation in caring appropriately for her infant. Modeled appropriate interaction with the infant and gave feedback to the mother about her caretaking skills. Assisted with conflict resolution and problem-solving within the family.

Sept. 1998-Dec. 1998 **Project Help
Volunteer**

Worked with preschool children on language and motor development, and on conforming to structured activities in preparation for school. Diagnoses of the children included Down's Syndrome, Autistic Disorder, ADHD, and Communication Disorders.

TEACHING EXPERIENCE

Sept. 2007-May 2008 **Trevecca Nazarene University
Adjunct Professor for Counseling Diverse Populations Course**

Prepared lectures and facilitated in-class discussions, role-plays, and experiential activities related to the text and course objectives. Created, administered, and scored examinations and papers. Taught this class to Masters students in three consecutive semesters.

- July 2003-Dec 2003 **Nova Southeastern University**
Graduate Teaching Assistant in Behavioral Assessment Course
Center for Psychological Studies
Professor: Doil Montgomery, Ph.D.
- Lectured and facilitated class discussion in professor's absence. Designed a manual to assist Ph.D. and Psy.D. students in the administration, scoring, and interpretation of selected behavioral assessment tools. Graded assignments and research papers, input research data obtained from the class, and assisted students as needed.
- July 2003-Sept. 2003 **Nova Southeastern University**
Adjunct International Professor for Interpersonal Communication Course
Department of Behavioral Sciences
- Prepared lectures and facilitated in-class discussions and role-plays related to the text and course objectives. Created, administered, and scored examinations and assigned and graded interpersonal practice papers. Thirty-five Jamaican students enrolled and participated in this weekend-format course, which was held in Ocho Rios, Jamaica.

RESEARCH EXPERIENCE

- July 2002-June 2003 **Interrelationships between Attachment, Social Competence, Child Abuse, and Complex Posttraumatic Stress Disorder**
Directed Study: Research (Clinical Research Project/Dissertation)
Nova Southeastern University
Chair: Sara Valley-Gray, Psy.D.
- May 2003-June 2003 **Factors that Influence Counseling Center Attendance Rates: Preliminary Findings**
Steven Reisler, Kate Richmond, Lindsay Vaughn, & Barry Schneider
Poster presented at the Florida Psychological Association Annual Convention in June 2003. Third place in student poster contest.
Nova Southeastern University
Supervisor: Barry A. Schneider, Ph.D.
- Jan.1998-April 1998 **Jealousy and Envy in Romantic Relationships**
Poster presented at the Middle Tennessee Psychological Association Conference, April 1998.
Middle Tennessee State University
Supervisor: Tom Brinthaup, Ph.D.

PROFESSIONAL ORGANIZATIONS AND HONOR SOCIETIES

- 2010-current **Middle Tennessee Collaborative Alliance (MTCA)**
